Introducing **Warranty Rate AI™**

Powered by Aclaro AI

AI Based **DMS Data Extraction** to **OEM Submission** In Less than 5 Days

Many dealers are **SWITCHING** from either an in-house prepared solution or from their third-party solution to **Warranty Rate AI™**

We invite dealers to give us their expected warranty OEM labor rate and parts markup which we are confident we will beat them! We win the business and generate significant cash in the form of substantial revenue/profit uplift!

MOST EFFICIENT AND TIMELY PROCESS - Warranty Rate AI™ solution is installed in 3 easy reliable steps

1. One-time Setup
2. Data Load
3. Documentation
 - Excel Spreadsheets
 - PDF Highlighting
 - PDF Consolidation
 - Exclusions
 - OEM Forms

- ✓ Each submission begins with a quick view of your data once it has been loaded into our system.
- ✓ Optimal warranty labor and parts data sets for both statutory and OEM-specified criteria are reviewed and compared for highest submission value.
- ✓ We do the work that is necessary to maximize dealer's increase. Highest accuracy AND reliable completeness with fast turnaround—unmatched in industry.

HERE IS WHAT OUR DEALERS SAY ABOUT WARRANTY RATE AI™

"We have the highest warranty reimbursement rate in our zone, driving more profits and cash."

CDJR Dealership

HERE IS WHAT OUR OEMS SAY ABOUT WARRANTY RATE AI™

"This is the first AI submission we've worked with which was extremely efficient. A real pleasure to work with Aclaro."

Stellantis Zone Warranty Manager
